

NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of 0.2636 per \$100 valuation has been proposed by the governing body of City of Edna.

PROPOSED TAX RATE	\$0.2636 per \$100
NO-NEW REVENUE TAX RATE	\$0.2525 per \$100
VOTER-APPROVAL TAX RATE	\$0.2636 per \$100
DE MINIMIS RATE	\$0.6212 per \$100

The no-new-revenue tax rate is the tax rate for the 2020 tax year that will raise the same amount of property tax revenue for City of Edna from the same properties in both the 2019 tax year and the 2020 tax year.

The voter-approval tax rate is the highest tax rate that City of Edna may adopt without holding an election to seek voter approval of the rate, unless the de minimis rate for City of Edna exceeds the voter-approval tax rate for City of Edna.

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate for City of Edna, the rate that will raise \$500,000, and the current debt rate for City of Edna.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that City of Edna is proposing to increase property taxes for the 2020 tax year.

A public hearing on the proposed tax rate will be held on September 03, 2020 at 6:00PM at 126 W. Main Edna Texas Edna City Hall.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, City of Edna is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the City Council of City of Edna at their offices or by attending the public meeting mentioned above.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS FOLLOWS:

property tax amount=(tax rate) X (taxable value of your property)/100
