The Deed of Trust covers and affects, among other property described therein, the oil, gas and/or other mineral leases described in **Exhibit A** attached hereto and made a part hereof (the "**Leases**") and all other right, title, and interest of Grantor in and to the lands, situated in Jackson County, Texas, which are described or referred to in the Leases, whether or not completely or correctly described therein, together with all rights, privileges and appurtenances thereto. The Deed of Trust was filed in the Office of the County Clerk of Jackson County, Texas under Instrument No. 2021-2626 and recorded in the Official Public Records of Jackson County, Texas (the "**Records**") in Book or Volume 641, Page 342. Beneficiary is the present legal and equitable owner and holder of the Deed of Trust, and of all obligations of the Grantor secured by the liens, security interests, and assignments of the Deed of Trust.

By written instrument, Beneficiary removed James C. Lanshe, Esq. as Trustee and removed each and every other previously designated or appointed original Trustee or Substitute Trustee (if any), and appointed me, W. Lee Keeling, as Substitute Trustee.

Beneficiary has requested that I, as Substitute Trustee, enforce the trust established by the Deed of Trust and foreclose on the property covered by the Deed of Trust on account of one or more defaults in the obligations secured thereby.

In accordance with the foregoing, I hereby give notice as set forth below.
