Due to the volatile fuel market, Sun Coast Resources cannot submit this bid as written. Prices can change on a daily basis anywhere from .01 to .12. It would not be practical for the taxpayers of Jackson County or for Sun Coast Resources to turn in this bid as written. We will bid this on the basis that fuel be calculated off of daily rack prices, plus applicable taxes plus our markup. We reserve the right to submit a new fuel price within the month if there is a drastic change in prices. Bill of Ladings and rack prices will be furnished.

Thank you for allowing Sun Coast Resources the opportunity to bid on your fuel needs.
