Drilling Permit Application for Non-Exempt-Use Well

Complete this form if you intend to drill a non-grandfathered, non-exempt well.

The District's Rules are available to the public via the internet at the following address:
www.co.jackson.tx.us/ips/cms/TexanaGroundwater.html

The well owner, well operator, or any other person acting on behalf of the well owner must file a completed application for a drilling permit and receive authorization from the district before a non-exempt-use well may be drilled. (Rule 3.1.1 – Drilling Permit Requirement, District Rules, Page 14)

Definition of Exempt-Use Well

1. A well used solely for domestic use, livestock use, personal recreational use; or
2. A well that is operated to produce groundwater not in excess of 35,000 gallons per day; or
3. A well otherwise exempted from District regulation by state law.

A well used for any other purpose is considered a non-exempt-use well.

Instructions:

1. Complete the form to the best of your knowledge and belief.
2. Type or print all information.
3. Attach copies of any relevant documentation or information to this application.
Do not attach original documentation to this application.
4. If a portion of the information requested on this form cannot be provided, please indicate this by entering "unknown" in the related blank space.
