WHEREAS, it is the desire of Developer to place certain restrictions, easements, covenants, conditions, stipulations and reservation (herein sometimes referred to as the "Restrictions") upon and against such Property in order to establish a uniform plan for the development, improvement and sale of the Property, and to insure the preservation of such uniform plan for the benefit of both the present and future owners of Lots in said Subdivision;

NOW, THEREFORE, Developer hereby adopts, establishes and imposes upon the Subdivision, and declares the following reservations, easements, restrictions, covenants and conditions, applicable thereto, all of which are for the purposes of enhancing and protecting the value, desirability and attractiveness of said Property, which Restrictions shall run with said Property and title or interest therein, or any part thereof, and shall inure to the benefit of each owner thereof, except that no part of this Declaration of the Restrictions shall be deemed to apply in any manner to the areas identified or platted as a Reserve or Unrestricted Reserve on the Plat or to any area not included in the boundaries of said Plat. ## **2. PROPERTY OWNERS ASSOCIATION, ASSESSMENTS AND LIEN**

**2.1 Property Owners' Association:** A "Property Owners Association" is hereby created to be made up of the Owners of property within the hereinbefore described together with the owners of subdivision (the "Association"). Prior to the Transition Date, as stated in Section 2.10, the Association may form and be operated as a non-profit corporation and governed by its Articles of Incorporation and Bylaws upon incorporation, provided that such incorporation documentation is

not in conflict with the terms and provisions hereof. Every person or entity who is a record owner of any Lot which is subject to the Maintenance Charge and other assessments provided herein, including contract sellers, shall be a "Member" of the Association. The foregoing is not intended to include persons or entities holding an interest merely as security for the performance of an obligation or those having only an interest in the mineral estate. No owner shall have more than one membership for each Lot owned by such Member. Memberships shall be appurtenant to and may not be separated from the ownership of the Lots. Regardless of the number of persons who may own a Lot (such as husband and wife, or joint tenants, etc.) there shall be but one membership for each Lot. Additionally, upon the Transition Date, the Directors of the Association must be Members of the Association (as more particularly described in the Bylaws). Ownership of the Lots shall be the sole qualification for membership. The voting rights of the Members are set forth in this Declaration and in the Bylaws of the Association. The initial Board of Directors of the Association shall be designated by the Developer or Declarant. Upon the Transition Date, Owners may elect five (5), with a minimum of three (3), member Board of Directors to the Property Owners Association, with three (3) alternates (the "Board of Directors").

**2.2 Board of Directors:** Through its Board of Directors, the Property Owners Association shall have the authority to:

a. **Declaration of Maintenance Charge:** Declare and collect an assessment per year per Lot from each Property Owner. Such assessment shall be made for the purpose of maintaining roads and other areas of common use and benefit to subdivision owners. The exact amount of the Maintenance Charge applicable to each Lot will be determined by the Developer/Declarant until the Transition Date, and thereafter by the Board of Directors of the Association during the month preceding the due date of the Maintenance Charge. All other matters relating to the Maintenance Charge and the collection, expenditures and administration of the Maintenance Fund shall be determined by the Developer or the Board of Directors of the Association, subject to the provision hereof. The initial assessment shall be \$295.00 per year ("Maintenance Charge"), and each such Maintenance Charge (except as otherwise hereinafter provided) shall be paid by the Owner of each Lot (or residential building site) to the Association annually, in advance, on or before the tenth day of February of each calendar year, or on such other date or basis (monthly, quarterly or semi-annually) as the Developer or the Board of Directors may designate in its sole discretion. The Maintenance Charge will be assessed as of the date of recordation of the Deed wherein the Owner acquired legal title to the Lot. The following property subject to this Declaration shall be exempt from the Maintenance Charge and all other charges and assessments created herein: (a) all properties dedicated to and accepted by a local public authority; (b) the Common Area; and (c) all properties owned by the Developer or the Association.

b. **Failure to pay Maintenance Charge:** Any Maintenance Charge not paid on or before the due date shall bear a late fee of 15%. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the hereinafter described lien against the Owner's Lot. No Owner may waive or otherwise escape liability for the Maintenance Charge by non-use of any Common Areas or recreational facilities available for use by Owners of the Subdivision or by the abandonment of his Lot. Where the holder of a First Deed of Trust, other than Declarant, obtains title to the Parcel as a result of trustee's sale, or deed in lieu of foreclosure, of said First Deed of Trust, such acquirer of title, its successors and assigns, shall not be liable for the share of the assessments by the Association chargeable to such Parcel which became due prior to the acquisition of title to such Parcel by such acquirer. Such acquirer shall be responsible, as any Owner, for assessments charged subsequent to the acquisition. Neither Declarant nor

Developer shall be responsible for paying Regular or Special Assessments for any Parcel owned before or after the Transition Date.

c. **Use of Maintenance charge:** The Maintenance Charge levied by the Developer or the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the Owners of the Subdivision. In particular, the Maintenance Charge shall be used for any improvement or services in furtherance of these purposes and the performance of the Association's duties described herein, including the maintenance of the Common Areas, any greenbelt or easements, roads, rights-of-way, and any common use pier, and the establishment and maintenance of a reserve fund for maintenance thereof. The Maintenance Fund may be expended by the Developer or the Association for any purposes which, in the judgment of the Developer or Association, will tend to maintain the property values in the Subdivision, including, but not limited to, providing funds for the actual cost to the Association of all taxes, insurance, repairs, energy charges, replacement and maintenance of the Common Area, etc. as may from time to time be authorized by the Association. Payment of all legal and other expenses incurred in connection with the enforcement of all charges and assessments, conveyances, restrictions and conditions with the affecting the properties to which the maintenance fund applies, payment of all reasonable and necessary expenses in connection with the collection and administration of the maintenance charges and assessments, landscaping in common areas, utilities, insurance, taxes, employing policemen and a security force and doing any other things or things necessary or desirable in the opinion of the Association to keep the Properties neat and in good order, or which is considered a general benefit of the Owners or occupants of the properties, it being understood that the judgment of the Association in the expenditure of said fund shall be final and conclusive so long as such judgment is exercised in good faith. The Maintenance Charge is for the purpose of promoting the recreation, health, safety and welfare of the Owners of the Subdivision.

d. **Lien for Failure to Pay Maintenance Charge:** Each Lot shall be subject to a lien to secure unpaid assessments. Said lien shall be foreclosed by formal court proceeding after written notice to the delinquent property owner. This lien shall be subordinate to any lien holder who has provided work or materials for the improvement of any tract and also to any lien holder who has financed construction on the property, and valid purchase money liens. As additional security for the payment of the Maintenance Charge and other charges and assessments hereby levied, each Owner of a Lot in the Subdivision, by such party's acceptance of a deed thereto, hereby grants to the Association a contractual lien on such Lot which may be foreclosed by formal foreclosure and pursuant to the provisions of Section 51.002 of the Texas Property Code (and any successor statute); and each such owner hereby expressly grants the Association a power of sale in connection therewith. The Association shall, whenever it proceeds with nonjudicial foreclosure pursuant to the provisions of said Section 51.002 of the Texas Property Code and said power of sale, designate in writing a Trustee to post or cause to be posted all required notices of such foreclosure sale and to conduct such foreclosure sale. The Trustee may be changed at any time and from time to time by the Association by means of a written instrument executed by the President or any Vice-President of the Association and filed for record in the Real Property Records of Jackson County, Texas. In the event that the Association has determined to nonjudicially foreclose the lien provided herein pursuant to the provisions of said Section 51.002 of the Texas Property Code (and any successor statute) and to exercise the power of sale hereby granted, the Association shall mail to the defaulting Owner a copy of the Notice of Trustee's Sale not less than twenty-one (21) days prior to the date on which said sale is scheduled by posting such notice through the U.S. Postal Service, postage prepaid, certified, return receipt requested, properly addressed to such

Owner at the last known address of such Owner according to the records of the Association. If required by law, the Association or Trustee shall also cause a copy of the Notice of Trustee's Sale to be recorded in the Real Property Records of Jackson County, Texas. Out of the proceeds of such sale, if any, there shall first be paid all expenses incurred by the Association in connection with such default, including reasonable attorney's fees and a reasonable trustee's fee; second, from such proceeds there shall be paid to the Association an amount equal to the amount in default; and third, the remaining balance shall be paid to such Owner. Following any such foreclosure, each occupant of any such Lot foreclosed on and each occupant of any improvements thereon shall be deemed to be a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action of forcible detainer and the issuance of a writ of restitution thereunder. In the event of nonpayment by any Owner of any Maintenance Charge or other charge or assessment levied hereunder, the Association may, in addition to foreclosing the lien hereby retained, and exercising the remedies provided herein, upon ten (10) days prior written notice thereof to such nonpaying Owner, exercise all other rights and remedies available at law or in equity. It is the intent of the provisions of this Section to comply with the provisions of said Section 51.002 of the Texas Property Code relating to non-judicial sales by power of sale and, in the event of the amendment of said Section 51.002 of the Texas Property Code hereafter, the President or any duly authorized officer of the Association acting without joinder of any other Owner or mortgagee or other person may, by amendment to this Declaration filed in the Real Property Records of Jackson County, Texas amend the provisions hereof so as to comply with said amendments to Section 51.002 of the Texas Property Code. In addition to the right of the Association to enforce the Maintenance Charge or other charge or assessment levied hereunder, the Association may file a claim or lien against the Lot of the delinquent Owner by recording a notice ("Notice of Lien") setting forth (a) the amount of the claim of delinquency, (b) the interest and costs of collection, including reasonable attorney's fees, which have accrued thereon, (c) the legal description and street address of the Lot against which the lien is claimed and (d) the name of the Owner thereof. Such Notice of Lien shall be signed and acknowledged by an officer of the Association or other duly authorized agent of the Association. The lien shall continue until the amounts secured thereby and all subsequently accruing amounts are fully paid or otherwise satisfied. When all amounts claimed under the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of Lien have been fully paid or satisfied, the Association shall execute and record a notice releasing the lien upon payment by the Owner of a reasonable fee as fixed by the Board of Trustees to cover the preparation and recordation of such release of lien instrument.

**2.3 Architectural Control Committee:** The term "Architectural Control Committee" as used in this Declaration, shall mean or refer to the Developer or to an outside Architectural Control Company retained by the developer to perform the Architectural Control duties. Until the Transition Date, Developer and/or individuals or entities appointed by the Developer, shall review all plans and sample materials required herein to be submitted to the Committee for approval and exercise all other design review powers delegated to the Committee in this Declaration and in the Association Bylaws. The fee for ACC submittal for a building plan shall initially be \$1,000.00. After the Transition Date, the Board of Directors shall appoint an Architectural Control Committee (the "ACC or Committee"), composed of three or more individuals. The Committee shall function as the representative of the Association to provide for and assist in the architectural control of improvements to Lots within the Property.

**2.4 No Construction Without Review:** No building, fence, wall, bulkhead or other structure shall be commenced, erected, or maintained upon any tract, nor shall any exterior addition to; or change or alteration therein, be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to, and approved in writing by the Architectural Control Committee as to harmony of external design and location in relation to surrounding structures and topography.

**2.5 Damage Deposit:** Each member submitting for ACC approval agrees to post a \$5,000 bond or cash payment to the Property Owners Association, for repairs to roadways and drainage caused by Owners contractors, subcontractors, or other associated workers, prior to receiving final approval from the Architectural Control Committee. The money will be held in the Association's account and costs of any damages will be deducted at completion of the building project. In the event there are no damages, the full balance will be returned to Owner.

**2.6 Failure to Timely Approve:** In the event that any plans and specification are submitted to the Architectural Control Committee as provided herein, and such Architectural Control Committee shall either fail to approve or reject such plans and specifications for a period of 45 days following such submission, approval by the Architectural Control Committee shall not be required, and full compliance with this Restriction shall be deemed to have been had.

**2.7 Enforcement:** The Association (and any Owner with respect only to the remedies described in (ii) below) shall have the power to enforce the provisions of this Declaration and the Rules and Regulations and shall take such action as the Board of Directors deems necessary or desirable to cause such compliance by each Member and each Related User. Without limiting the generality of the foregoing, the Association shall have the power to enforce the provisions of this Declaration and of Rules and Regulations of the Association by any one or more of the following means: (i) By entry upon any property within the Subdivision after notice and hearing (unless a bona fide emergency exists in which event this right of entry may be exercised without notice (written or oral) to the Owner in such manner as to avoid any unreasonable or unnecessary interference with the lawful possession, use or enjoyment of the improvements situated thereon by the Owner or any other person), without liability by the Association to the Owner thereof, for the purpose of enforcement of this Declaration or the Rules and Regulations; (ii) by commencing and maintaining actions and suits to restrain and enjoin any breach or threatened breach of the provisions of this Declaration or the Rules and Regulations; (iii) by exclusion, after notice and hearing, of any Member or Related User from use of any recreational facilities within the Common Areas during and for up to sixty (60) days following any breach of this Declaration or such Rules and Regulations by such Member or any Related User, unless the breach is a continuing breach in which case exclusion shall continue for so long as such breach continues; (iv) by suspension, after notice and hearing, of the voting rights of a Member during and for up to sixty (60) days following any breach by such Member or a Related User of a provision of this Declaration or such Rules and Regulations, unless the breach is a continuing breach in which case such suspension shall continue for so long as such breach continues; (v) by levying and collecting, after notice and hearing, an assessment against any Member for breach of this Declaration or such Rules and Regulations by such Member or a Related User which assessment reimbursed the Association for the costs incurred by the Association in connection with such breach; (vi) by levying and collecting, after notice and hearing, reasonable and uniformly applied fines and penalties, established in advance in the Rules and Regulation of the Association from any Member or Related User for breach of this Declaration or such Rules and Regulations by such Member or Related User; and (vii) by taking action itself to cure or abate such violation and to charge the expenses thereof, if any, to
