WARNING: By signing below you are acknowledging that the flood hazard maps and other flood data used by the county in evaluating flood hazards to proposed developments are considered reasonable and accurate for regulatory purposes. On occasion, greater floods can and will occur and flood heights may be increased by man-made and natural causes. The county does not and cannot guarantee your property will not flood. Exempting you from the floodplain management regulations does not create any liability on the part of Jackson County, or any officer or employee of that entity, in the event that flooding and/or flood damage occurs. 44CFR 60.3(1) requires permits for all proposed construction or other development in the county including the placement of Mobile/Manufactured Homes within flood-prone areas. By signing below I/we hereby and understand the above statement and have provided true and accurate information to the best of my/our ability. By signing below, I/we also grant permission to the Jackson County Floodplain Administrator to enter upon the above described property in order to make a property and accurate determination of the flood zone if necessary.
